

Rediweld Traffic Products Appoint new Sales Manager

Adrian Bunkle has joined Rediweld as Sales Manager for Traffic Products.

Adrian has a wealth of experience working with local authorities. His previous position was with 'Plantscape' as Sales Director selling a range of low maintenance planters and street furniture, including litter bins, bollards, seating etc.

His responsibilities include servicing the existing customer base as well as following up potential new customers.

Adrian's other projects include new Product development as Rediweld work to strengthen their product range.
